

SMART KOLTEC Ltd

Angle Grinder Pads

Dual Action Orbital Sander pads

Spindle Pads for Drills&Polishing machines

Hand held Sanding

Polishing Bonnets&Foams

Quick Lock/Change
Pads&Adapters&Rubber Holders

Angle Grinder Pads

- ◆ Highest Quality Nylon
- ◆ Unique grades of flexibility
- ◆ New International standard ISO 15636
- ◆ Greater Health and Safety compliance

ISO Angel Grinder

ISO Angle Grinder

This range can be considered for universal use

White medium flexibility

For resin fibre discs

➤ This new world class range of angle grinder pads are the perfect answer for all professional applications.

➤ The ribs allow the air to circulate more efficiently which keeps the pad and abrasive cooler.

All pads are supplied complete with zinc alloy locknuts to avoid rust

All pads are supplied complete with zinc alloy locknuts to avoid rust

Angel Grinder

- High quality pads for both pneumatic and electric power tools.
- The rigid Coolflow profile with the radial cooling ribs and very hard structure is the best pad for heavy operations.

Dual Action Orbital Sander pads

- ✦ *Perfectly balanced*
- ✦ *Tough and durable fiber glass backplate*
- ✦ *Excellent resistance to tearing and other damage*
- ✦ *Best range of multi-hole and multi-machine pads*

Dual Action Orbital Sander pads

- Integrally moulded backing pads.
- Long lasting foam.

Dual Action Orbital Sander Pad

Hand held Sanding

- ◆ *Hand sanding Blocks*
- ◆ *Flexible Round sanding pads*
- ◆ *Profiled hand Sanders*

Hand held Sanding

- Shaped and double sided versions.
- Design for perfect hand grip.

Flat hand Sanding Blocks

Velcro system

Double sided block to adapt to your needs.

Size mm	Description	Item-No.
70 x 125	Double sided very soft/soft	431001
70 x 125	Double sided very soft/medium hard	431002
70 x 125	Double sided soft/medium hard	431003
70 x 125	Profiled with groove soft	431004

Round hand Sanding Pads

Velcro system

Flexible round hand pads with strap adjustable to handsizes

Size Diam in mm	Description	Item-No.
75	Adjustable Velcro strap	432001
125	Adjustable Velcro strap	432002
150	Adjustable Velcro strap	432003

Profiled hand Sanding Blocks

Velcro&PSA system

Flexible PUR-foam hand blocks ideal for convex and concave surfaces

Size mm	Description	Material	Surface	Item-No.
